

A good presentation creates clarity

Concept project for a fictional wellness brand

STRUCTURE / TYPE / INFOGRAPHICS

FORMA

Daily rituals
for a calmer pace

Brief & idea

INTRODUCING A NEW BRAND

**Show more than a product.
Present a habit people
want to keep.**

FORMA is a fictional functional drink brand built around everyday rituals.

Presentation goal

Explain the positioning, product line and launch in three minutes.

The story in five steps

From a familiar problem to one simple next step

A little support for a full day

No promises to change your life. Just help make an ordinary day feel a little steadier.

Brand voice

calm · clear · never pushy

less noise
more of your
own rhythm

Product line

Three blends for three moments of the day.

01

FOCUS

For a moment of focus

citrus / green tea

02

BALANCE

For a steadier pace

berries / herbs

03

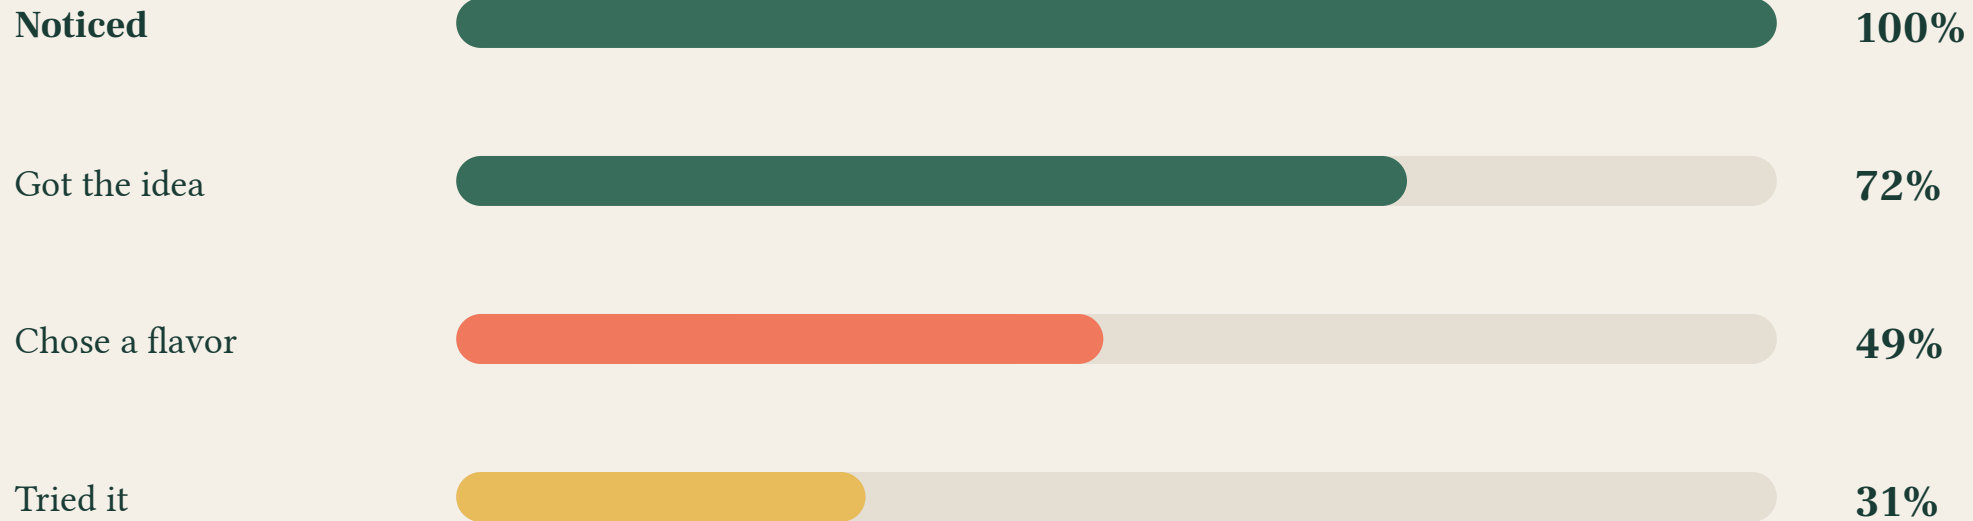

REST

For winding down

soft florals / vanilla

First discovery journey

Illustrative journey, not actual brand data

A clear, simple choice makes the first step easier.

Visual system

Soft geometry and concise copy support the brand's calm character.

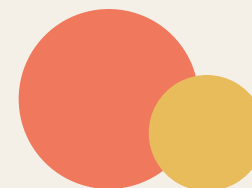

COLOR

High-contrast type · warm neutrals · one accent

TYPE

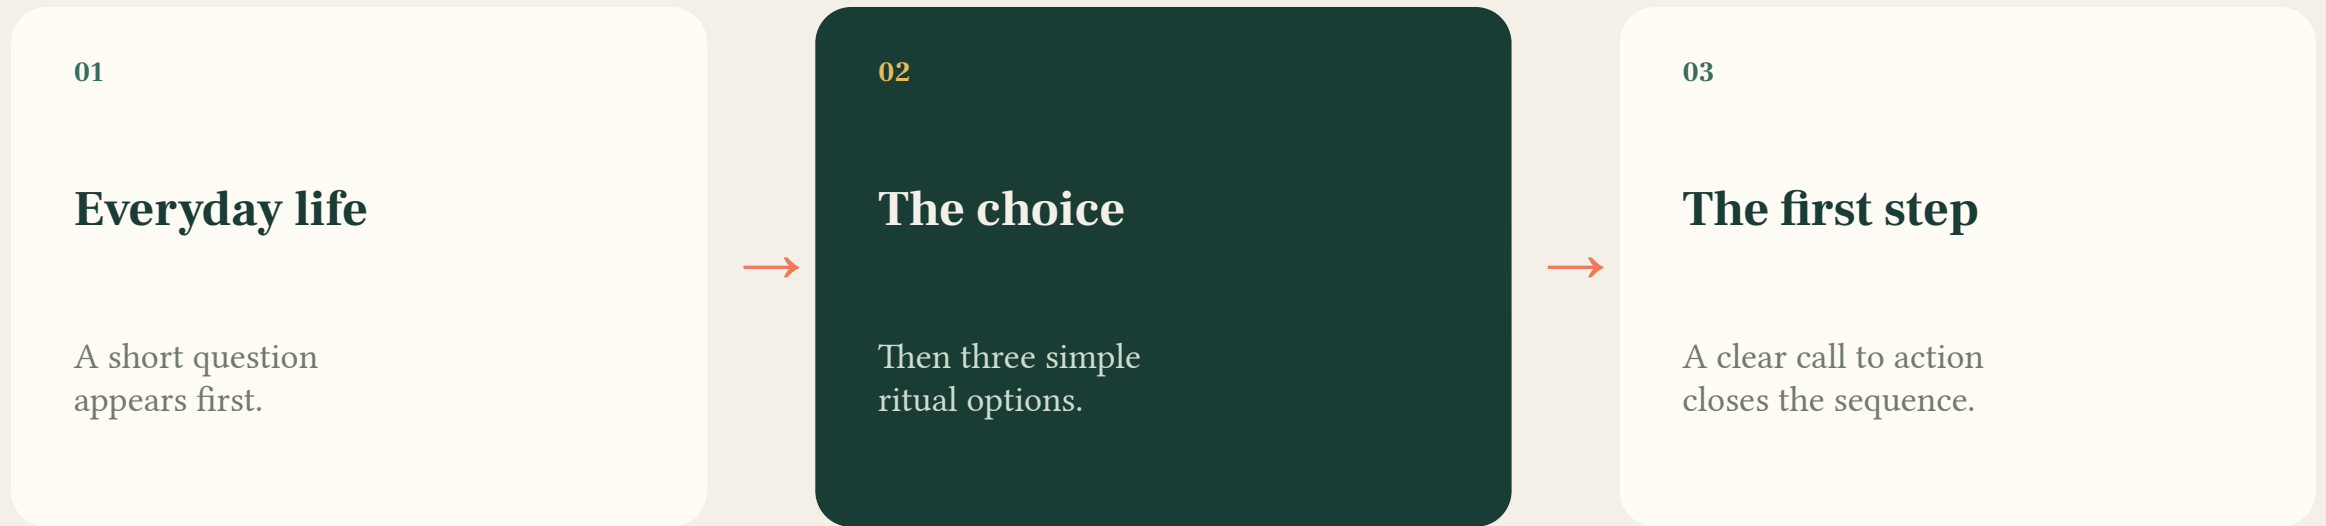

**A clear headline
with concise support**

Simple forms, no extra decoration

Motion storyboard

Each frame uses editable objects that can be animated on click.

Frame 1 → Frame 2 → Frame 3

Sequence: reveal the question → choose a ritual → show the call to action

One gesture, a new focus

Three frames

1 Pause → 2 Choose → 3 Act

Animate the three states in sequence while keeping every object editable.
